Pastry: Ordering a box

Five days' notice

Not counting Mondays, when we are closed. Need it sooner? Call us and we'll see what we can do.

Pickup is free

Clayton or Webster Groves, whichever is closer to you.

Delivery within 5 miles

$20, and free on orders over $250. Beyond five miles, boxes are pickup only.

Order at sylviedees.com/pastry-boxes

Pick your boxes and send the request. We confirm availability, then invoice you. Nothing is charged at the time of ordering.

Dietary

Vegetarian, gluten-free and nut-free boxes are available. Our kitchen handles nuts, so cross-contact is possible. Currently we do not offer vegan pastries.

Holiday boxes run on their own dates and pricing.

Pick your twelve

The Candy Wall

A freestanding Sylvie Dee's candy wall. Twelve varieties at about five pounds each, chosen from our bulk bar and curated for your event. Self-serve all night, and you keep every ounce that's left.

$16
a pound, standard

$20
a pound, Swedish and Premium Imports

$150
delivery, setup and teardown

A full wall of twelve standard varieties runs $1,110 and serves up to 320 guests at about 3 oz each. Larger groups welcome.

How the wall is booked

Choosing your twelve

Pick from our standard list and name two backups. Share your event or brand colors and any dietary needs, and we'll build the selection around them. We confirm the final twelve a week out at the latest.

Something we don't stock

Give us three weeks and we will do our best to source it. Imports price at the $20 tier.

Lead time

Three weeks or more	Special sourcing
Two to three weeks	Standard list
Under two weeks	In stock only, $100 rush

On the night

Self-serve, so no staff is needed. Add an attendant at $20 an hour if you'd like one. We deliver, set up and tear down anywhere in the St. Louis metro.

Every bin is labeled with allergens, and we can build a nut-free wall. Shared scoops mean cross-contact is still possible.

Scoop. Sip. Smile.

The Ice Cream Cart

Our cart, our scoops, your flavors. Pick up to eight from a list of more than forty, vegan options included, served in cups or cones. One tub serves about 55 guests at one scoop each.

Flavors
Forty-plus to choose from, subject to availability

Vegan
Chocolate, vanilla and mint cookie. They count toward your eight, for an additional fee.

Power
Electric only. Tell us about the space and we'll sort the setup.

One week's notice. Orders placed Monday arrive Wednesday. Under a week, $100 rush with limited flavor options.

Two ways to pay for it

Flat package

You buy the tubs and keep whatever is left. Setup and teardown included, staffing optional.

Cart	Serves	Price
Half, 4 flavors	220	$900
Full, 8 flavors	440	$1,600

Best when the headcount is known and over 150.

By the scoop

You pay for what your guests actually eat. We scoop, we count, we take the rest away.

Per scoop	$5
Setup and teardown	$200
Ice cream minimum	$400

Best when the headcount is uncertain or under 150. Staffing required.

Staffing is $20 an hour on either package. Gratuity is not included.

Not sure which? Tell us your headcount and we will run both numbers.

Tell us what you're picturing

Make it yours

Favors & packaging

Custom stickers turn pick-n-mix bags into favors guests take home. Printed bin labels, with your logo, monogram or names.

Your colors

Customized ice cream cups and spoon colors, and a candy selection built around your palette.

Any size

Larger parties are no trouble. Give us the headcount and we will scale the wall or add tubs to the cart.

Have an idea that isn't on this page? Bring it to us. We would rather talk it through than hand you a menu.

Custom printing and packaging carry an additional fee, quoted with your order.

The practical bits

	Notice	Rush	How far we go
Pastry boxes	5 days, not counting Mondays	Call us	5 miles, then pickup only
Candy wall	2 weeks, 3 for special orders	$100, in stock only	St. Louis metro
Ice cream cart	1 week	$100, limited flavors	St. Louis metro

Staffing

$20 an hour wherever you'd like someone there, with no minimum. Gratuity is not included.

Allergens

We can make any offering nut-free, and we have gluten-free options too. Nuts, wheat and dairy are in our kitchen, so cross-contact is possible.

Beyond the metro

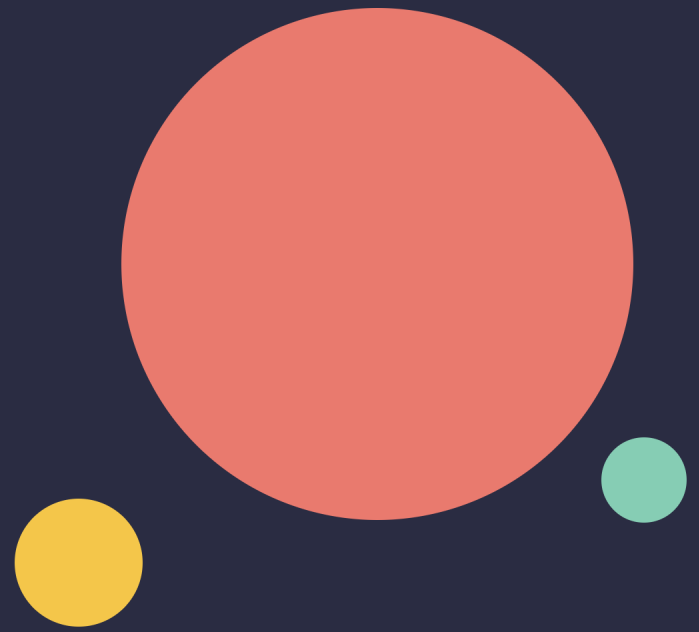

Tell us where you are. We quote a rate rather than turning the date down.

Tight on time, or booking all three for one date? Call us and we'll coordinate a single delivery window.

Let's pick a date

Tell us the headcount and the day

We will come back with a quote, the flavor and variety lists, and a delivery window. Nothing is charged until you have approved it.
